## *Release Policies and Terms of Agreement*

We at Linda's Heavenly Doves reserve the right to cancel the release at any time for the well being of our birds. This includes any acts of God such as thunderstorms, heavy winds, fog or snow. All deposits and monies will be refunded in full should this occur.

Sometimes the weather is doing one thing at the release location and doing another at the home loft. Should we have to cancel to the above, a full refund will be given, however, if the customer insists that we appear in bad weather and the release does not take place, the customer will forfeit the 50% deposit. Also any catastrophe that affects either the bird's performance or appearance would warrant a cancellation by Linda's Heavenly Doves.

This is an unlikely occurrence, however since everything is based upon living animals, anything can happen and we would notify you immediately. Once again, since Linda's Heavenly Doves is based upon living things, we cannot guarantee any certain performance from the birds. Once the baskets are open we are no longer in control of the birds actions. Be it known also that Linda's Heavenly Doves will not be responsible for any soiling of clothing. This has never happened but we still want to inform you of this in the event of such an occurrence. We at a Linda's Heavenly Doves will still make every attempt to coordinate the release of the birds with your photographer so that the ceremony may be captured on film. However, Linda's Heavenly Doves will not be responsible for any reason, in the event that the release is not captured on film. A 50% deposit of the full amount is required at the time of booking your release. The balance is due 21 days before the ceremony. Linda's Heavenly Doves will retain all deposits made on the release if the release is cancelled less than 30 days prior to the scheduled date. In the event of any cancellation, excluding the above mentioned, the 50% deposit will be forfeited.

**Note:** Please be as precise as possible in scheduling your release time. A charge of \$25.00 will be added to the fee for each additional half-hour past the scheduled release time. This is due to the fact that our birds may be booked for other releases on the same day. We know that plans can change, so for your convenience, the release time may be altered up to one week before the event.
